- The GSA board floated the idea of a raise in GSA fees from \$6.50 per quarter to \$8.00, with the extra \$1.50 targetted to the student associations of the departments and groups holding the students who pay the fees. Any fee increase must be passed by referendum involving the entire graduate student body.
- One UC Regent has recommended that we junk all Affirmative Action programs. The GSA board raised a resolution in support of Affirmative Action, but several of the GSA reps wanted it rewritten (toned down). The resolution, now in committee, will come up for a vote on June 7th. If you have any questions or comments, please send email to Craig Kirkpatrick, our GSA rep: [rckirkpatrick@ucdavis.edu](mailto:rckirkpatrick@ucdavis.edu); or to Alan Wong (chair of the rewrite committee): [awong@physics.ucdavis.edu](mailto:awong@physics.ucdavis.edu)
